SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants wish to make of record in the above-identified application the document or documents referenced on the attached Form PTO-1449. A copy of each non U.S. reference is enclosed herewith.

The cited references are mentioned in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement. The Office Action (copy enclosed) of applicant's corresponding Russian patent application is dated July 3, 2007. Thus, Applicant certifies that this Information Disclosure Statement is being filed within three months of the mailing date of the corresponding foreign office action. An English language translation of the Russian Office Action is also enclosed. Finally, Japanese Patent Publication No. JP 10-085361A mentioned in the Office Action was cited in the International Search Report and already made of record in the Information Disclosure Statement filed with the application on December 13, 2005.

Serial No.: 10/560,578
Art Unit: 3764
Inventor: Yoshiaki SATO

Attorney's Docket No.: SUZ0023-US

It is respectfully requested that the information be expressly considered during the prosecution of this application, and that each reference be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This submission does not represent that any referenced document is material or constitutes "prior art." If it should be determined that one or more of the referenced documents constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the reference or references.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over any referenced document, should it be applied against the claims of the present application.
